

GUIDELINES FOR TEAMS AND ATHLETES (Season 2020-21)

Limassol, 5 October 2020

SUBJECT: Information, Guidelines and Precautions for Covid-19 that will be followed during the Club's Activities in Season 2020-21

Based on the Instructions, Regulations, Laws and Decrees of the Ministry of Health, which are adopted in their entirety hereby, the Famagusta Bowling Club, demonstrating its responsibility, and in cooperation with the hosting Bowling Center (GALACTICA Bowling Center), repeats and lists below the specialized precautions that will be followed during the official leagues and organized activities during the period 2020-21:

1. Before the start of the League/tournament, the entire second floor and mainly the commonly used areas (playing area) will be sanitized by the GALACTICA Bowling Center staff.
2. On each day of the league or other organized activity, and before entering the area, all athletes / members without exception will go through a temperature screening.
3. All athletes / members are required to demonstrate hand hygiene before and after each game, as well as to wear a mask when outside the area under Club's responsibility (competition area / playing field).
4. During the tournaments, every possible effort should be made, so that a team / athlete / member will come in physical contact with as fewer people as possible.
5. Efforts should be made by all involved to ensure that each game will finish as fast as possible. The Rules for Slow Bowling will be closely observed and enforced.
6. During the league, the athletes should limit the extend that is possible, the celebrations, shouting and other habits that bring athletes / members very close one to the other violating the social distancing.
7. Physical contact, handshake, hugs between athletes / members is prohibited.
8. All the equipment that is used by the athletes / members should be individual and not shared between two or more persons at the same time, including bowling balls and shoes.
9. It is strictly forbidden to enter the area under Club's responsibility (competition area) for any person that is not part of the league, spectators and any team's substitutions.
10. During a game, only those athletes / members who are part of the specific game have the right to enter the area. For the "Premier League" five (5) persons / players and for the "Friends League" four (4) people / players.
11. Athletes / members should keep the appropriate social distancing in the waiting area and within the area under Club's responsibility (competition area).
12. The unnecessary movement within the area under Club's responsibility (competition area) is prohibited. Athletes / members should be restricted to the lanes where their team competes as per the Score Sheet. The same is applied as well as to the waiting area.
